St. Willibrord Mass Assignments  
July, August, September 2017

SERVERS: Thank you for serving the Masses assigned to you. Please be willing to trade assignments so that there will always be servers for every Mass. Please feel free to volunteer to serve Mass if you see there is no server present (stop at the sacristy and let Priest know you are available). We would like each server to put his or her name on the calendar in the sacristy on the day you actually served Mass. The white cassocks are used most of the time. Red cassocks will be used when the celebrant wears red vestments, and possibly at Christmas time. The church calendar indicates the few times when red is the color of the day. Suggestion: I think it would look better if the servers after Mass kept their cassocks on while taking care of the sanctuary chores and while many people are yet in church.
