The healing power of God comes through Christ, even to a man that does not belong to the chosen people. This man's faith prompts his thankfulness.

What are you desperate to have fixed? An illness? Your finances? A relationship? **What is a problematic part of your everyday life that you want changed?** This is what the lepers were seeking when they cried out to Jesus for mercy. Leprosy had changed their very existence, and the grueling effects of the disease separated them from the very life they had known. **When Jesus took pity on them, only one member of this group took the time to return to Jesus, fall at his feet, and thank him.** We'll find our salvation in the love of God, shared by fellow Christians.

**“Let us understand that God is a physician, and that suffering is a medicine for salvation, not a punishment for damnation.”**

~St. Augustine of Hippo

**October is "DOMESTIC VIOLENCE AWARENESS MONTH".** Awareness is key! Violence is so common, not just physical but emotional and sexual. I encourage you to look at this following resource, you don't know what you don't know!

<http://www.uscch.org/issues-and-action/marriage-and-family/marriage/domestic-violence/when-i-call-for-help.cfm> Pamphlets are also available to pick up at the entrance of church

### **An Overview of Domestic Violence**

Domestic violence is any kind of behavior that a person uses to control an intimate partner through fear and intimidation. It includes physical, sexual, psychological, verbal, and economic abuse. Some examples of domestic abuse include battering, name-calling and insults, threats to kill or harm one's partner or children, destruction of property, marital rape, and forced sterilization or abortion.<sup>8</sup>

Domestic violence is often shrouded in silence. People outside the family hesitate to interfere, even when they suspect abuse is occurring. Many times even extended family denies that abuse exists, out of loyalty to the abuser and in order to protect the image of the family. Some people still argue—mistakenly—that intervention by outside sources endangers the sanctity of the home. Yet abuse and assault are no less serious when they occur within a family. Even when domestic violence is reported, sometimes there are failures to protect victims adequately or to punish perpetrators.

The National Domestic Violence Hotline provides crisis intervention and referrals to local service providers. Call **800-799-SAFE (7233)** or **800-787-3224 (TTY)**. For more information, go to [www.thehotline.org](http://www.thehotline.org). Hotline Advocates are available to chat [online](#), Monday to Friday, 9AM-7PM CST.

### **Prayer to End Domestic Violence**

O God, our world at times is divided and hostile. Some people consider themselves dominate over others based on gender, race, color, class or status. Through your Son's cross our world can be reconciled; the walls of hostility can be broken. We pray for all women who experience the pain and suffering of violence, that they may feel your healing touch and be at peace in your living embrace. We pray for those who victimize and abuse others, that they may see the errors of their sins and seek repentance. Through the intercession of Our Lady of Good Counsel, may we understand and support those who may come to us for help. We ask these things through your Son, Jesus Christ. Amen.
