What a wide variety of emotions the disciples must have experienced. They had come to know Jesus and had changed their lives to follow him. Then they had watched him die a tragic death on the cross. Following that, they were astonished to experience the glory of his resurrection, and then they enjoyed his company for a while longer. But now, they had to bid farewell again. Now they watched as Jesus ascended into heaven, leaving them with their instructions: **“Go into the whole world and proclaim the gospel to every creature.”** It’s inspiring to see how the disciples handled all of this. Even though they must have been struggling with a kind of sadness or disappointment when Jesus left them, they didn’t dwell on that. They went out and did what they had been called to do. **They “preached everywhere” and shared with others the good news.** Like the first disciples, we are also called to share the gospel with others. Certainly, through our lived example we should reveal to others the joy that Jesus brings. There may be times and situations, however, that require more of us than just being witnesses. Sometimes God calls us to share more directly and more courageously the message of faith. May we follow the example of the disciples, who readily embraced this call.

"God loves each of us as if there were only one of us." ~ St. Augustine

Jesus offers peace the world can’t give. Jesus ascended to Heaven and left everything behind. **We follow his example when we detach from worldly concerns and care more about God’s will than our own.** If we seek God before everything else, we can join him in his Heavenly kingdom.

OUR HEARTS ARE BREAKING FOR THE PEOPLE OF INDIA as they face this devastating second wave of COVID-19. We are especially moved to compassion as we feel for our own Fr. Bruno Santiago and his family and loved ones who are living in India. With over 200,000 reported deaths, and 20 million confirmed cases, the surge has overwhelmed India’s healthcare system.

The All Saints Area Faith Community along with the Diocese of New Ulm will be collecting monetary donations to be sent to India at the end of May. These donations will be sent directly to the Monastery in Bangalore and will be distributed from there to help the vulnerable families in India. Please consider joining us in providing urgent relief and care for those impacted by this crisis. Your parish name will be included with these donations. If you choose to donate by check, please make checks payable to St. Andrew’s Catholic Church. If you have any questions please contact Fr. Bruno @ (507)217-3054 or Kellie Sloom @ (320)583-6755 Thank you for your consideration and prayers!

GREENHEART INTERNATIONAL, A NONPROFIT AGENCY, is searching for a host family in the Winthrop area for Seda, a young lady from Armenia, who would attend GFW. Seda would be arriving in late August, and staying through early June while she attends school at GFW. All of our students are 15-18 years old, they speak English, have medical insurance, and their own spending money. A volunteer host family provides a room (may be shared), meals, and a caring environment for their student. Students typically take the bus to/from school unless they live close enough to walk. Our students are required to do volunteer service, and they tend to make a great impression in the local communities. All of our host families are screened through an online application which includes photos, references, criminal background checks, and an in-home interview conducted by a local coordinator (Mary Armstrong). Greenheart provides group orientations, enhancement activities and volunteer service opportunities. For more information about the opportunity to host Seda, please contact Mary Armstrong at 952-657-3406 / [email: armstrong.mary@mac.com](mailto:armstrong.mary@mac.com) / website: www.hostwithgreenheart.org

Student Description:

Seda (girl, Armenia) - 16 years old - would be a senior at GFW for 2021/2022. She loves music, reading, playing volleyball, and "being close to nature." She loves to discuss what is happening that week with her family, going to the movies and eating pizza. She enjoys cooking, indoor games like ping pong, and listening to popular music. She is Christian, and attends church multiple times per week. She lives in a multigenerational household, and is used to families with a wide range of ages. Seda is an exceptional US State Department sponsored scholarship student who competed to receive the prestigious, merit based FLEX scholarship. She has no pet allergies or dietary restrictions.
